## Ageless Grace<sup>®</sup> Anti-Aging Exercises Almost Anyone Can Do!

The Ageless Grace<sup>®</sup> program - 21 Simple Tools for Lifelong Comfort and Ease can be done by almost anyone of any age or ability. The movement sequences focus on the healthy longevity of the body, mind, emotions and spirit. All of the exercises are designed to be practiced in a chair, and they consist of movements that are natural and organic - there's no need to learn any special choreography.

Each of the 21 Tools focuses on different anti-aging techniques, e.g., joint mobility, spinal flexibility, right-left brain coordination, cognitive function, systemic stimulation, balance, confidence, and playfulness. The easy-to-learn tools of Ageless Grace<sup>®</sup> promote the "Three Rs" of lifelong comfort and ease - not reading, 'riting and 'rithmetic - but the ability to respond, recover and react efficiently and safely.
